

Local Airspace Flight Safety, How Not to be a 'Near Miss' Target

This seminar will cover the impact of airspace congestion with Airline, Corporate and General Aviation aircraft in the southern Las Vegas Ivanpah Valley area. Congestion of general aviation traffic below and around the Las Vegas Class B airspace including sailplane operations around the Las Vegas area. There will also be a briefing about airport operations at the Jean Airport, expected traffic pattern operation and frequency congestion. Anyone who flies in the Las Vegas area should attend this safety meeting. Bring students, CFIs, and ATPs ... there's information here for everyone.

Directions: Grand Canyon Room inside North Las Vegas Airport terminal
